

Course Withdrawal Policy

Greenfield University — Academic Affairs Office

Version: 2.0 | Owner: Academic Affairs / Registrar | Effective: January 1, 2025

1. Purpose

This policy provides clear guidelines for students who wish to withdraw from one or more courses after registration. It defines the permitted withdrawal window, academic implications, financial consequences, and the process to be followed.

2. Types of Withdrawal

Type	Description
Course Drop	Removal of a single course from the student's registered courses for the semester.
Full Semester Withdrawal	Withdrawal from all courses registered for the current semester.
Programme Withdrawal	Cancellation of enrolment in the entire academic programme.

3. Withdrawal Deadlines and Grade Implications

The academic consequences of a course withdrawal depend on when the withdrawal request is submitted:

Withdrawal Period	Grade on Transcript	Fee Refund
Before semester begins	No record on transcript	100% (see Refund Policy)
Week 1 – Week 2 of semester	No record on transcript	80%
Week 3 – Week 4 of semester	"W" (Withdrawn) recorded	25%
Week 5 and beyond	"WF" (Withdrawn Failing) recorded	No refund
After final examinations begin	Not permitted	No refund

Note: A "WF" grade is treated as a failing grade (F) for GPA calculation purposes.

4. Academic Impact

- Dropping below the minimum credit load (typically 12 credits for full-time status) may affect financial aid eligibility.
- Students on academic probation must obtain written approval from their academic advisor before dropping any course.
- A course with a "W" or "WF" on transcript does not count toward programme credit requirements.
- Students who drop a compulsory/core course must re-register for it in the next available semester.

- Repeated withdrawal from the same course (more than twice) requires approval from the Dean of Academics.
- International students on a student visa must maintain full-time enrolment status; course drops may affect visa compliance.

5. Approval Requirements

Withdrawal Type	Approval Required From
Single elective course drop (Weeks 1–2)	Online portal only — no additional approval
Single core course drop (any time)	Academic Advisor + Department Head
Full semester withdrawal	Academic Advisor + Dean of Students + Registrar
Programme withdrawal	Dean of Faculty + Registrar + Finance Office clearance
Drop during academic probation	Academic Advisor (mandatory counselling session required)

6. Withdrawal Process

Follow the steps below to submit a course withdrawal request:

- Log in to the Student Self-Service Portal at portal.greenfield.edu.
- Navigate to Academics > Course Registration > Drop/Withdraw Course.
- Select the course(s) and provide a reason for withdrawal.
- If additional approvals are required, the system will route the request automatically.
- Track the status of your request under Academics > My Requests.
- Once approved, you will receive a confirmation email from the Registrar's Office.
- Collect a copy of the withdrawal confirmation for your records.

Note: Verbal or informal withdrawal requests (e.g., simply stop attending) are not valid and will result in a WF grade.

7. Withdrawal During Medical Emergency

Students facing a documented medical emergency may apply for a Medical Withdrawal, which results in a 'W' grade regardless of timing, and a full tuition credit (not refund) applied to the next semester. Supporting documents required:

- Medical certificate from a registered hospital (not a private clinic certificate).
- Letter of support from the university medical centre or counsellor.
- Completed Medical Withdrawal Form submitted within 10 days of the emergency.
- Medical withdrawals are approved by the Dean of Students on a case-by-case basis.

8. Re-enrolment After Withdrawal

- Students who withdraw from the full semester may apply for re-enrolment in the subsequent semester.
- Re-enrolment is subject to seat availability and is not guaranteed.

- Students who withdraw for 2 or more consecutive semesters must reapply for admission through the standard process.
- Any previously earned credits remain valid for 5 years from the date of initial enrolment.

For queries, contact the Academic Affairs Office at academics@greenfield.edu or visit Room A-105, Admin Block (Mon–Fri, 10 AM–4 PM).
